

Sunny Days Children's Center Vision

Our goal is to provide a loving, safe and exciting facility offering educated, qualified and nurturing staff; age appropriate, educational programming and a "home away from home" atmosphere. Be assured your child will be in a stimulating and structured yet flexible learning environment and continuously treated with respect and kindness.

Our Center

Sunny Days Children's Center is newly constructed in West Hills Village, directly beside Fredericton's newest and prestigious residential subdivision, West Hills, along with the adjacent golf course, Rebel Ridge Golf Club. We are centrally located next to a major thruway just minutes from downtown Fredericton. The center is nestled next to several amenities such as pharmacies, grocery store, medical clinic, fitness center, department store, and restaurants. We occupy 2000 sq feet and offer large play rooms, an infant room, a sleeping room, full modern kitchen, 2 rest rooms, large foyer, fenced outdoor playground and office. The center is fully equipped with an air quality control system which offers energy efficiency and mechanical ventilation, ECOLOGICAL paints, tile and pre-finished hardwood floors. We also provide upgraded fire safety standards including 4 exits and a secured entrance with keypad admission, all beautifully designed with great attention to detail.
