

Hi! My name is Richelle Paul. As a recent graduate of the Early Childhood program, I am happy to have joined the Sunny Day's team in June of 2016. After completing high school in 2011, I attended the Craft College here in Fredericton, and completed the Foundation Visual Arts program. Although I love art, I decided to take a few years to work at various jobs, and figure out what I wanted to do with my life. When I started working with children, I expected it to be a temporary chapter in my life, but I ended up falling in love with it!

Currently, you will find me working in the baby room at Sunny days. I love being a part of these children's lives, and being able to encourage them as they accomplish new developmental milestones! I look forward to making new memories, and building new relationships with the children and their families.
